## Keeping track of all the records

Track records have always been a key benchmark for the greyhound industry. Each month Chase aims to keep its readers up to date with the latest changes to those benchmarks, from all tracks across Australia.

Chase is constantly in contact with clubs, however if a record has toppled at your track, please drop us a line at [gqmagazine@hotmail.com](mailto:gqmagazine@hotmail.com) and we will make sure the record of the records is up to date.

The track records can also be found on Chase's website - [www.chasenews.com.au](http://www.chasenews.com.au)
